DESIGNER'S PALETTE 2013

# OUR PHILOSOPHY

Mission:  
Universal Weal through Trade & Industry

Vision:  
Global Competence & Global Competitiveness Synergizing Western Work Culture & Indian Ethos.

Motto:  
Economy Excellence Ethics

Explanation of Motto:  
Excellence in Economy is:  
Economic, when founded on Work Ethics.  
Sustainable, when nourished by Moral Ethics.

Business Strategy:  
Our approach is Market Driven, Knowledge Based, System Sustained, I.T Enabled, and Ethics Anchored.

About us:  
We are an integrated manufacturer and marketer of world class interior solutions. From raw materials to end products, at Merino we provide complete solutions. Established in 1974, we are one of the most preferred plywood brands in India. Merino forayed into the laminate business with our first manufacturing unit for high pressure decorative laminates at Hapur. We set up a second unit at Rohad to meet the ever increasing popularity of Merino Laminates.

At Merino, we specialise in creating new products which are aligned with the latest international trends and market demands. Over the years, our innovative products have continuously been well received by architects and designers alike.

## THE POWER TO CREATE

Everything that comes in your mind.

Your every idea.

Your every vision.

Your every creative thought.

Now finds expression with Merino Laminates.

Merino makes your idea stand out.

It lets you make a statement.

It gives you the power to create.

# PROOFS OF EXCELLENCE

"IGBC - MP - 1076"

Conforms to EN:438

ISO 14001:2004  
OHSAS 18001:2007  
ISO 9001:2008

At Merino, maintaining quality is a tradition which is lived with a passion. We encourage the adherence to safety standards, promote ease-of-application, strive to reduce installation time, and help our customers maintain their interiors with relevant usage information.

# NEW SHADES AND TEXTURES

A classic design in a trendy finish. At Merinolam, we understand that it's this curious juxtaposition of thoughts and ideas that sets you apart. Our decorative laminates are available in rich finishes ranging from classic matte to trendy leather and new age jute and fabric. Calming blues or flaming reds, we have just about every colour that matches every design need. Mix them, match them. Go on, create your world.

ALL MERINOLAM DESIGNS ARE OF 1MM THICKNESS.

Modern. Chic. Trendy. Add a bit more zest to your designs with the new shades from Merinolam. Mix them, match them. Go on, create the world

MERINO LAMINATES  
THE POWER TO CREATE

100

## PRODUCT PORTFOLIO

**MERINO COMPACT LAMINATES:** Merino Compact is a solid grade, load bearing laminate. It is resistant to water, moisture, stain, graffiti, bacteria growth, scratch, impact, fire, cigarette burns and colour change. It provides superior mechanical properties to impact resistance. It is commonly used for furniture, partitions, cubicles, paneling, transportation vehicles and areas with higher cleaning and hygiene requirements. They are ideal for doors, table-tops, laboratory work-tops, various counter-tops, floor decoration material, material for interior decorations and can also be used as a protective screen against dampness, frost, rain, sunlight and termites.

**MERINO GENERAL PURPOSE LAMINATES:** Merino High Pressure Laminates are available in over 400 designs, 30 finishes and 11 different sizes. These laminates create an aesthetic look and offer its customers a dynamic range to choose from. They are resistant to boiling water stain and provide increased dimensional stability. Surface protection through special treatment makes Merino Laminates scratch resistant too. Suitable for applications such as home furniture items, wall linings, column claddings, doors, shelves, table-tops, work-tops, counters, vanity units, cubicles, lift linings, store fittings, displays, check-out desks, storage units etc.

**MERINO ACCESS FLOORING TILE GRADE LAMINATES:** Merino Access Flooring Tile is specially designed for access flooring systems which require good impact resistance, durability, resistance to stain, high abrasion, easy-to-maintain and available in specific attractive selected colours.

**MERINO ANTI BACTERIAL LAMINATES:** Merino Antibacterial Laminate is intended for application where there is a need for additional protection of the surface against bacteria. It reduces bacteria by more than 99%. Mainly used in Hospitals, Pathological Labs, Nursing Homes, Medical Research and also in areas where bacteria can spread rapidly like public buildings, toilets, catering facilities, swimming pools, changing rooms, fitness facilities etc.

**MERINO PHENOLIC BACKER SHEETS:** Phenolic Backer Sheets are used as a surface covering material in conjunction with high pressure decorative laminate and a substrate such as particleboard to balance the assembly.

**MERINO CHALK BOARD LAMINATES:** Merino Chalk Board has a special surface for easy erasure of standard writing chalk for vertical and horizontal applications. They are an excellent economic alternative writing board for schools and the surface colour renders excellent contrast against chalk marks.

**MERINO CHEM + (LAB GRADE) RESISTANCE LAMINATES:** Merino Lab Grade Chemical Resistant Laminate is intended for application to horizontal and vertical surfaces where design, appearance, quality, durability and resistance to relatively strong chemicals like acids, alkalis, corrosive salts and other staining substances are required. Specific applications include sinks, counters, lab benches, work surfaces in chemical, pathogenic labs, photographic labs, nursing stations, cabinets, casework fronts, wall panels.

**MERINO ELECTROSTATIC DISSIPATIVE LAMINATES:** Merino Electrostatic Dissipative (ESD) Laminates provide a safe environment for furniture used in Electrostatic Protected Areas (EPAs). It is used mostly in places where the clean-room-concept is used like IT offices, call centres, laboratories, electronic industries, pharmaceutical labs, offices with regular use of electronic gadgets.

**MERINO FIRE RETARDANT LAMINATES:** Merino High Pressure Fire Retardant Grade Laminates that are safe, harmless, sturdy and come in exquisite designs and colours. These laminates are approved by Warrington Fire, UK, BS-476 and it offers Class-I Fire Rating (Provided fire retardant adhesive and substrates are used). It does not allow fire to spread further, once the source is removed and extinguishes itself within a stipulated time. It also eliminates the risk of toxic smoke. Ideal in kitchens and fire prone areas.

**MERINO KLASAY ERASABLE PROJECTION BOARD:** Merino Klasay Erasable Projection Board is ideal for applications where dry erase marker is used. They can be used as Marker Boards as well as Projection Boards.

**MERINO MARKER BOARDS:** Built with a special type of polymer, Merino Marker Board imparts durability to surface with easy cleaning of dry erase markers or wet erase markers. These can be used in conference rooms, auditoriums, colleges and institutions.

**MERINO METALAM METALLIC LAMINATES:** Combining the durability of metal with the versatility of laminates, Merino presents Metalam range of High Pressure Metallic Laminates designed for vertical interior or ceiling applications where a special accent is required or a special mood is

desired. Metalam Metallic Laminates are durable, strong and come in vivid scintillating shades. They give your interiors varying levels of depth and so are ideal for use in hospitality, gaming, entertainment, interior design, set design, retail, signage, display, cruise and furniture industry.

**MERINO MR+ TUFF GLOSS LAMINATES:** Merino introduces MR+ Tuff Gloss Laminate is a breakthrough in gloss laminate technology. This stunning range of super gloss laminates is resistant to scuff and mar abrasions, making them ideal for use in places where your creativity gets restricted for want of a better surfacing material.

**MERINO UNI+ UNICOLOUR LAMINATES:** Merino UNI+ Unicolour laminate is a decorative surface. Its core layers are of the same colour thereby giving a

uniform look to the laminate. These laminates have high abrasion resistance. The dark line on normal laminate edges does not appear giving a clean look. It allows interesting effects to be created on the surface by engraving and routing.

**MERINO POSTFORMING GRADE LAMINATES:** Merinoflex is a postforming grade laminate intended to be used on vertical and horizontal interior surfaces where the laminate is required to roll in a simple radius over the edges of a substrate. They enhance the decorative property of the edges of any typical laminate by removing seams.

**MERINO-BESCO CUBICLES AND LOCKERS:** Merino-Besco Restroom and Solutions is the fastest growing division in the Merino Group with over 5000 projects already executed across India. Revolutionising the concept of restrooms in India, Merino-Besco has designed heavy-traffic restrooms to provide appealing and practical solutions. Manufactured for the first time in India with international standards of quality, we offer a range of restroom cubicles, shower cubicles, change rooms, locker systems, urinal panels, support grab bars and jet towels in a variety of colours with nylon, stainless steel and aluminum accessories and fittings.

**MERINO-HANEX SOLID SURFACES:** Merino-Hanex Solid Surfaces are crafted from a unique blend of acrylic resins and natural materials so that

sheets can be cut, shaped and formed into a boundless range of designs. Best of all, unlike other surfacing materials, it can be repaired and restored to its original condition. It is stronger than stone and has the property of thermal stability, is water resistant and all-weather resistant. It can easily be fabricated into any seamless shape.

**MYSPACE (MODULAR FURNITURE):** Comprises of a wide variety of trendy and contemporary home furniture designed by professionals. The range includes double beds, wardrobes, chest of drawers, TV units, modular units, dining tables and lots more. Merino also offers custom-made furniture solution for institutions like hospitals, schools, libraries, offices, retail showroom furniture and other work places.

# SPECIFICATIONS

Merino High Pressure decorative laminates comprises of layers of specially selected paper, impregnated with melamine and phelotic resins pressed and hardened under heat and pressure. The process ensures strong bonding, resistance to boiling water and chemical, and increases dimensional stability. Surface protection through special treatment renders all Merino Laminate scratch resistant. It is suitable for a wide range of applications such as wall lining, column claddings, doors, shelves, table-tops, work-tops, counters, vanity units, cubicles, lift linings, store fittings, displays, check out desks etc.
